1. Scope of the General Terms and Conditions of Purchase

1.1 All orders of goods, performances and other services, placed by Capri Sun GmbH (hereinafter "Capri Sun"), are exclusively subject to the following terms and conditions, unless agreed otherwise in an individual case in written form.

1.2 These General Terms and Conditions of Purchase are valid and effective as of 1 December 2019. They are equally valid for future business transactions, even if Capri Sun does not explicitly refer to these terms and conditions.

1.3 In these General Terms and Conditions of Purchase, the respective business partner of CAPRI SUN shall be referred to as "Supplier", notwithstanding the nature of the respective contract and the respective status of the business relationship. CAPRI SUN and the Supplier shall be hereinafter also referred to as, individually, the "Party" and, collectively, the "Parties".

1.4 Any provisions to the contrary, as well as any deviations in the order confirmation of the Supplier will not be deemed acknowledged by CAPRI SUN, but shall only be valid and binding upon CAPRI SUN if they have been explicitly acknowledged by CAPRI SUN in written form.

Notwithstanding the foregoing, the Parties agree that the valid conclusion of a contract shall not fail due to general terms and conditions which contradict each other. In case of any deviations, the Supplier must have indicated in the offer any said deviations from the inquiry by providing an explicit written note.
